Nurturing Minds & Souls — From Earth's Core to Core Beliefs

Exploring Earth's Layers: A Hands-On Geography Experience

At JJT Dheri (Evening), students explored Earth's layers—crust, mantle, and core—through a fun, interactive geography session led by Miss Kiran and a junior teacher. Visual aids and group activities made learning engaging and easy to grasp.

✦ Building Character through Faith & Integrity

The Character Development Program held a powerful session on Ibadat (Worship), led by Mr. Yousuf Ghaffari. Students learned about Tawheed, Namaz, Roza, Hajj, and Zakat with emphasis on both rituals and inner meaning—encouraging reflection, devotion, and moral growth.

Strengthening Faith: Revision of the 6 Kalimas

In Islamic Studies, Class Package C revised all 6 Kalimas with focus on pronunciation and meaning. Active participation helped reinforce understanding and spiritual depth, marking a strong step in their religious education.

July Ration Drive: Nourishing Lives with Every Pack

Junior Jinnah Trust proudly invested **PKR 1.5 million** in ration distribution to support **130 orphan children**. This initiative ensures that every child under our care receives not only food, but the dignity and care they deserve. We believe no child should ever face hunger or uncertainty. Each ration pack delivered is a promise of love, support, and a better tomorrow.

Fueling Dreams with Compassion

This effort is about more than survival – it's about restoring hope and building brighter futures through care, nourishment, and love. We're nurturing young lives from the inside out. By making learning possible through proper nutrition, we plant seeds of potential. Every meal shared is a step toward lifelong confidence and success.

United in Kindness, Driven by Hope and Action

We extend our sincere gratitude to our dedicated donors and supporters whose generosity made this mission possible. By standing together, we continue to uphold every child's right to nutritious food, compassionate care, and quality education. Your contributions are creating meaningful, lasting change where it's needed most. Together, we are building a ripple effect of kindness that transforms lives and shapes brighter futures.

Empowering Young Minds with Digital Skills

The Junior Jinnah Trust School's Burma Town campus hosted a **summer camp** for grades 6–8, offering a 2-hour daily computer course. Students learned Microsoft Office, basic computer functions, and hardware essentials, empowering them with vital digital skills for future success.

Communication Skills through English Language Camp

An interactive English language course was held during the summer camp for grades 6–8. Through engaging activities like sentence building, creative writing, and conversation practice, students gained confidence and improved their communication skills in a fun, engaging environment.

Creating Classrooms That Inspire

Transforming Classrooms into Vibrant Learning Spaces

To foster a more engaging learning environment, the Junior Jinnah Trust School's Burma Town campus has renovated classrooms with bright colors, educational charts, and student artwork. These improvements boost student motivation and foster a stronger sense of belonging within the school community.

Learning Together, Growing Together

Through the OOSC Smartphone Education Program, mothers and children learn side by side at home using mobile devices. This family-focused approach strengthens bonds, empowers mothers, and creates a shared journey of growth through digital learning. It turns every home into a classroom.

Summer Activities: Learning Through Creativity

At Digital Micro School, top-performing students in academics and extracurricular activities were honored during the monthly prize distribution ceremony celebrating their hard work, discipline, and achievements. The event served as a source of motivation for all students to strive for excellence character.

Orange Day Celebration at Digital Micro School

A vibrant day of color, creativity, and joy!

Digital Micro School joyfully celebrated Orange Day, where students dressed in bright orange outfits and engaged in exciting hands-on activities. The celebration included creative art projects, themed decorations, and fun games making learning about colors a delightful and memorable experience.

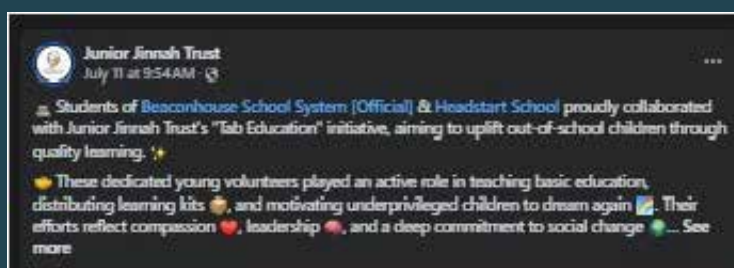

JJT Summer Internship – Empowering Youth

This summer, bright young minds from Beaconhouse, Headstart, Roots IVY, Future World Schools, and The City School joined the Junior Jinnah Trust Summer Internship Program. They dedicated their time to teaching out-of-school children leading educational activities, and contributing to meaningful community projects empowering others while developing their own leadership and social responsibility.

JJT Summer Internship Featured on Social Media

News Alert – Urdu News and GTV recently highlighted the Junior Jinnah Trust (JJT) Summer Internship Program, showcasing its impactful initiatives and focus on youth development through learning opportunities, skill-building, and mentorship.
